Dorothy Manners:

A LOT OF GOOD it did Van Heflin, and Frances to buy that penthouse apartment in New York and furnish it. Van is off to London on Oct. 24 to star in "The Outside Man" for producer Sydney Box. The story is based on a true incident — the dismissal by the CIA of one of its veteran secret agents which was given national and international press coverage not long ago.

These are prosperous days for Van. He's been offered \$100,000 a year for the next three years for radio and TV commercials of a high class product. He hasn't made up his mind yet to accept the offer.
